Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent Office of all references coming to the attention of Applicants or attorneys for Applicants which may be material to the patentability of any claim of the instant application, attorneys for Applicants hereby direct the Examiner's attention to the references listed on the attached revised PTO 1449 form, entitled "List of References Cited by Applicant." Identification of the references is not to be construed as an admission by Applicants or attorneys for Applicants that such references are available as "prior art" against the instant application. Further, Applicants believe that the invention claimed in the instant application is patentable over the cited references.

Applicants respectfully request that these references be considered and made of record in the instant application.

As this statement is being submitted prior to the believed mailing date of the first office action on the merits, no fee is believed to be due. Should a fee be deemed necessary, please charge it to Pennie & Edmonds Deposit Account No. 16-1150. A copy of this paper is enclosed.
